FORREST'S UPBEAT UPDATE: After a rough week physically with first infusion of 'traditional sarcoma chemo' Debbie's students in India held a special Zoom prayer meeting for her. She recently posted, "Feeling remarkably well... stronger than I have since starting chemotherapy, and I walked two miles last weekend." Next infusion is August 30, and she feels free to travel to Massachusetts to conduct training. PRAY she has strength for traveling on September 14 and standing to teach for four days. THANK GOD with them and pray the cancer will be eradicated from her blood and liver. PRAY also for good ongoing fruit from last week's marriage retreat for 60 African pastors and wives, taught by one of her students.
