BUILDING HEATING & SECURITY: The colder weather is upon us again necessitating the use of heat in the building. To help keep our energy costs low, please remember to turn off heat, except for minimal heat in the sanctuary (quarter turn on baseboard heat to help keep piano in tune), when your group is finished using the facility. Also, please remember to turn off lights, secure all doors, and close parlor door and folding doors to the sanctuary. Thank you for your cooperation.

VOLUNTEER OPPORTUNITY: United Way of King County's Free Tax Preparation Campaign assists low- and middle-income families and individuals by helping them complete their tax returns for free. We rely on our amazing volunteers to make this possible. No prior tax experience is necessary! We provide comprehensive training and will support the volunteers throughout the season***. To learn more and get involved, please visit our website at www.uwkc.org/taxvolunteer.***
