TODAY: LIVESTREAMING: We will continue to stream the Sunday Service. **Links to Facebook and YouTube can be found at www.ftpc.org.** The livestream video of the sermon will also be posted at our website by Wednesday of each week.

FTPC FAMILY CAMPOUT: According to The Wilderness NW website, "Camp is going on as normal! We haven't had any problems. We are going to continue on with our schedule unless something comes up that we have to deal with. It is up to your group if you want to have any specific rules having to do with COVID. We will have it cleaned and ready for your stay! There is not a burn ban on for campfires at this time, but we can let you know if that changes so you can know in advance." We have reserved the site for **FTPC's Family Campout from August 21-23. There are still one cabin, one rentable RV, two tent sites, and two RV hook up sites available. Today is the last Sunday to sign up to reserve your space or contact Brian Linscott this week.** There is a group coming in on the 24th, so if you wish to stay longer, you will need to come a day earlier or so. Let there be camping! For more info visit **wildernessnorthwest.com**.
